

FreeCEN Newsletter – September 2024

Hello All

Welcome to the newsletter for the month, and 76 new pieces have been added to the website since the last edition, around 260,000 entries between these pieces. Details at the end of this newsletter.

These newsletters are sent on a monthly basis, and the next one is due to be sent out around October 4th.

Contributions are welcome, and all received are considered. These should be emailed to chris.mahoney@freeukgenealogy.org.uk

Congratulations to the Anglesey team as during the month they completed all pieces for 1901 with the entire year for this country now part of the searchable database.

Unusual Name

(From Eileen Clark)

During my proofreading I came across this name 'Forty Edge Parkington' and had to check this out. It took some working out but finally found the real name is 'James Foster Edge Partington'.

No wonder we sometimes have brick walls to break down trying to trace our family tree.

(From the 1901 census, extract of the entry showing Forty Edge PARKINGTON.

No. 399	Born Dec. 12, 1886.					
1887.	James Foster Edge	James Edge in Ada Caroline	Partington	Croxley Green	Solicitor	Atten Roberts Vicar.
No. 400						

(Likely match showing James Foster Edge PARTINGTON from the Hertfordshire Baptisms at the parish of Croxley Green, of which the transcript is showing on the FreeREG website)

Coordinator Vacancies

Interested in becoming one of our county coordinators, then this is for you as we have some roles that we would like to fill. Experience at transcribing, and proofreading for FreeCEN is preferable. Help, and support is available if needed.

We have the following vacancies at present:

Hampshire/Isle of Wight Coordinator:

County has no coordinator at present, and has been vacant for a while, so no active transcribers at this time. One year is fully transcribed, with various pieces uploaded on others. We do have scans we can supply you with.

Sussex:

County has no coordinator at present, and has been vacant for a while, so no active transcribers at this time. Three years are fully transcribed, with another close to it. Some of the uploaded pieces however do need re-validating. We do have scans we can supply you with.

Interested in any of these, or would like to know more, then do let us know.

Important Notes:

- If the piece number has a letter after it, then this suggests that the upload only contains particular districts within the piece, not all districts that make up the piece
- If a place name is followed by a county code, then this indicates that this place is actually in that county, not the county the piece is listed under
